

MEMBERSHIP MEETING AGENDA

July 15, 2021

10AM

Location: Zoom

1. **Approve Meeting Minutes** from May 20, 2021 meeting. *Motion to approve meeting minutes as presented by Joe Slevnik, seconded by Scott Killinger, motion carried.*
2. **Bioassessment 2021 update** *Jennifer provided an overview of the 2021 sampling effort which should begin the week of July 19th and continue through September. 40 bioassessment stations will be sampled with two additional fish and bug sites will be completed upstream of the Hammel Woods dam. Eight expanded DO sites will be completed this year to support NIP development and six fecal coliform stations were completed in July.*
3. **Hammel Woods Project Update** *Construction staging for the project began this week with plans to install coffer dam and start documentation next week with deconstruction of the dam to follow.*
4. **2021 NPDES Permits** *Stephen McCracken with DRSCW is working with individual permittees to finalize special condition language for current permits awaiting renewal with the goal of having consistent language across permits.*
